EXPERIENCE

High Point University - Video Production Specialist - I worked in High Point University's Office of Communication to produce videos that will best market the school and its brand to prospective parents and students. I am also on the ground floor of aiding High Point University in creating HPU+, a streaming service showcasing a wide variety of content related to the university.

January, 2023 - Present

Elements Studio - Video Intern - I worked in the video production department of Elements Studio, a production studio that has created music videos and commercials for clients such as Wrangler and La-Z-Boy. I assist in pre-production of every major project and work as a production assistant during production.

September, 2022 - December, 2022

Furnitureland South - Videographer - I worked with the marketing team to shoot and edit nearly twenty promotions and advertisements highlighting Furnitureland South, the world's largest furniture store, and its many sales and overall brand identity. I also showcased the many unique luxury furniture brands that sell their products in the store, making each promotion unique to their own brand identity.

May, 2022 - July, 2022

"The Follower" (short film)- Director, Writer, Editor - I collaborated with a crew of ten people to produce a short film that won Best Student Film at the TMFF Film Festival, Best Cinematography and Best Supporting Actor at the Across the Globe Film Festival. The film was also nominated for Best Editing at the Across the Globe Film Festival and was officially selected in the Dreamachine International Film Festival, the Chicago Indie Film Festival, and the American Golden Picture Film Festival.
